

Youth have their say

Local youth are being invited to have their say at a free community gathering to discuss underlying issues of drug use in society.

D'FEST, to be held September 18, is being organised by Nirimba TAFE's Community Services Youth Work Diploma students and BRIDGES, a local based community group. This will be a chance for young people from the local area to have their say about drug issues that are affecting them.

D'FEST will be held from 3:30pm to 6pm at Wyndham and Terra Sancta College Main Hall, Nirimba Education Precinct, Eastern Road, Quakers Hill.
